The Sea of China and the Indies.

Sir Francis Drake was on this sea and landed anno 1577 in 37 deg, where he took possession in the name of Queen Elizabeth of new Albion.

What happy hence, in ten days march with 500 men from the head of James River, over those hills and through the rich adjacent Vallyes, supplied with as profitable rivers, which anciently must run into prosperous Indian Navigation discovered by the exceeding science of Great Britain, and joye of all true English.
